experience

Retail Manager | Auburn, MA

Bay State Vapor | 2015 – present

Slashed wholesale purchase costs using price research tactics and tactful negotiation skills.

Increased gross revenue by 474% since starting. Raised performance in areas of product, services, and accounting by identifying and targeting issues and implementing improvements.

Increased productivity and time to sale by updating & maintaining Customer Menu Systems & POS System.

Decreased wasteful spending by managing inventory transactions to create templates to verify hardware stock.

Networking and fostering client and wholesaler relationships. Focusing on exceptional service and eliminating the need to use price structure to secure new business.
